Dear Business Owner;

I pray that this letter finds you and your business doing well. We at the Chamber are excited about the future of the business community in our city. The Chamber is made up of 4 Officers, all of which are associated with a business that is based in Kountze. We also have 4 Board members that help give input and direction to the chamber. So far this year we have held our annual banquet and, also our first annual Blueberry Festival, both were very successful.

We currently have an opening on our Board and this brings me to the reason for this letter. One of the things we would like to do is establish a mentoring program where business owners would be able to share their experiences and give guidance to other business owners. Many of you have years of experience in creating and building a successful business. There are smaller businesses that would benefit from all that you have learned. We are looking for people who would like to be part of this program and shares a positive attitude toward the future of businesses here in Kountze, Texas.

If you are interested or have any questions please feel free to contact us at 409-246-3413 or e-mail info@kountzechamber.com.

Sincerely,

Kountze Chamber of Commerce
